Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food-borne illness.

Our Story

The L'uva Bella brands are rooted in 3 generations of quality winemaking. Our story begins in 2001 when the Sergi family founded L'uva Bella to fill a demand in the Northeast home winemaking market. Since then, L'uva Bella has grown to become the largest wine and wine juice producer in Ohio. Today, L'uva Bella offers a diversified portfolio of fast-growing retail wine brands, commercial and custom crush services to regional wineries, and wine juice products. But, even as we grow, our philosophy remains the same; we believe in crafting high-quality, unique wines for the everyday consumer.
